

What does your biz stand for?

Goal setting is the undisputed champion on the road to success. But before you can set your goals for 2013, you need to define the key drivers behind why you do the things you do. These are your hopes and dreams, your values and your passions. And they want your attention each and every time you think about taking on a new client!

1. What determines my ideal lifestyle?

1.
2.
3.

2. What things have made me feel the most successful?

1.
2.
3.

3. Why did I get into this biz in the first place?

1.
2.
3.

4. Where do I ultimately want my business to be?

5. What is my main vision for my biz?
