

Daily Self-Promotion Tasks

TODAY IS...

Did I do awesome work today? Yes No :(

If "yes," the awesome work was...

I shared nibbles, ideas, tips, sneak peeks or stuff I've learned lately on...

- My blog
- Client email
- Email list
- Facebook
- Blog comments
- Twitter
- Friend email
- Other: _____

I made connections...

- Wrote somebody I admire
- Referred a client to a fellow freelancer
- Recommended someone whose work I love
- Recommended an awesome product or book to a colleague friend/client
- Introduced two (or more!) people who should really know each other

I got some fresh air...

- Told somebody "in real life" about what I do
- Handed out biz cards or flyers
- Hung up promotional materials on a bulletin board
- Called an old client or new lead
